Re: *Jones v. U.S. Bank, et al.*
Civil Action No. 7:24-cv-00757-PMH

Dear Judge Halpern:

My firm is counsel to defendant U.S. Bank National Association in the above-referenced action. Pursuant to Rule 1.C. of the Court's Individual Practices, I write to request a one-week extension of time for U.S. Bank to respond to the complaint in this action. Plaintiff's counsel has kindly consented to this application.

Plaintiff served U.S. Bank with the summons and complaint on February 6, 2024. I request the brief extension of time to review my client's records in connection with plaintiff's allegations before filing a responsive pleading or motion. This is U.S. Bank's first request for an extension of time to respond to the complaint. No initial or other conference has been scheduled in this action, and therefore this extension should not affect any other dates or deadlines.

My client and I thank the Court for its consideration.

Respectfully submitted,
